This Financial Services and Credit Guide (FSCG) contains information that will help you decide whether to use the financial services I offer. It sets out:

- who I am and how I can be contacted
- the advice and services I provide
- information about our licensee, AMP Financial Planning Limited (AMP Financial Planning)
- my fees and how I, and AMP Financial Planning are paid in connection with those services
- how I manage your private information

Documents you may receive

I will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. I may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When I provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products I may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits I and others, will receive as a result of the advice I have provided.

If I provide further personal advice, a financial plan may not be required. I will keep a record of any further personal advice I provide you for seven years. You may request a copy of such records by contacting our office during that period.

When I provide credit advice, I will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Record of debt advice or a Credit Proposal. I will retain a record of the debt advice or Credit Proposal which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If I recommend or arrange a financial product for you, I will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Tax implications of our advice

Under the Tax Agent Services Act 2009, , trading as Explore Wealth Management is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

I can arrange to complete transactions for you on limited types of financial products where I can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without my advice, I will ask you to confirm your instructions, which will be documented in writing. I will keep a record of this documentation for seven years. You may request a copy of such records by contacting my office during that period.

Your relationship with me and using my services

You can contact me directly with any instructions relating to your financial products. This includes giving me instructions by telephone, mail or email. I can only accept your instructions via email once you have signed an authority form.

I will work with you to agree what advice and services I will provide and when and how often I will provide them.

Where you agree to annual advice and services, the details will be documented and provided to you in an advice or service agreement. This includes the frequency of contact between us, service standards that may apply, any fee arrangements and how the agreement can be terminated.

If at any time you wish to terminate your relationship with me, please contact me using the details shown in this Guide.

Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, I may transfer my rights and obligations under this servicing arrangement to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If I do this, the new service provider will provide the servicing to you and will be entitled to the agreed fees. The new adviser will then take over the rights and obligations on the same terms and conditions set out in this servicing arrangement and I will be released from those rights and obligations. I will write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

Providing information to me

It is important that I understand your circumstances and goals, so that I can provide you with appropriate advice and services. You have the right not to provide me with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services I provide you may not be appropriate for you.

It is also important that you keep me up to date by informing me of any changes to your circumstances so I am able to determine if our advice continues to be appropriate.

My fees

The actual fee charged to you will depend on the nature of the advice or service I provide. I will discuss and agree the actual fees with you before I proceed. The following section outlines the types of fees that may apply.

The fees charged for my advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

My agreed advice and service fees may include charges for:

- Initial advice;
- Ongoing or annual advice and services.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

I offer you the following payment options for payment of my advice and service fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment (subject to the advice and service provided).

All fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to me. The percentage is determined annually, based on a number of factors, including my business revenue over a 12 month period.

For more information on my service fees, please see my **Schedule of fees** attached or available on request.

Fixed service fees

I offer the following services at these fees:

Service	Fee
Bridging Finance Application Fee We will charge a flat fee, payable by the applicants, to facilitate a Bridging Finance application with a no end loan scenario. Provided there is a minimum end loan of \$100,000.00 then we shall not charge such a fee and will accept the commission remuneration, from the bank on the end loan, as full and final payment.	\$770.00
Lending - Provision Of Services Fee We will charge a flat fee, of not more than \$550, for the provision of services required to collate and submit a loan application for you. Upon the loan settlement being completed the Bank commission received will override the payment of such fee and the \$550 flat fee is not in addition to any bank commission received. In the event that the loan application did not proceed and much time and resources were expended by Explore Lending Solutions the fee will become payable by you.	\$550.00

Other costs

Where other costs are incurred in the process of providing my advice and services to you, you will be liable for these costs. However, I will agree all additional costs with you prior to incurring them.

How I am paid

I am a sole trader and receive all fees and commissions paid to my practice.

Other benefits I may receive

The following is a list of benefits I may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives I am eligible for.

In addition to the payments I may receive for my advice and services, I may receive other support services from the licensee. I may also be eligible to receive financial support including financing, technology and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation including if I qualify under the licensee's excellence program, and business performance or for business operational costs. These benefits are paid either at the licensee's discretion or depending on meeting certain qualifying criteria including the quality of my services and advice provided to my clients, business goals and ranking against other practices in AMP Financial Planning. The amounts are set by the licensee from time to time (usually on an annual basis). I may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

I might receive financial and non-financial assistance from the licensee including financing, badging rights or technology support to help me grow my business.

Business buy-back option

If I leave the financial services industry or can no longer appropriately service a selection of my clients, AMP Financial Planning will either look after my clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of my practice and the level of my service standards.

Personal and professional development

AMP Financial Planning offers education, personal and professional development opportunities to my practice on an annual basis. Participation in these opportunities may be based on attainment of qualifying criteria or open eligibility.

Education and professional development

AMP Financial Planning may subsidise the cost of my participation in approved education and professional development programs if I meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of my services, my business goals and my ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice.

Qualification for this subsidy ceased on 31 December 2018. Any subsidy I earned prior in 2018 is available to us until 31 December 2020.

Provided I meet specific qualification criteria AMP Financial Planning will support the practice with up to 20% of the licensee fees payable by the practice to the licensee in 2017 to meet the training and education requirements for financial advisers as required by Financial Adviser Standards and Ethics Authority.

Both the subsidy and support mentioned above are paid by AMP Financial Planning directly to the education provider and not to me.

Amicus program

In addition to the above, certain practices that meet additional qualification criteria may be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. If a practice qualifies for the Amicus program, AMP Financial Planning may subsidise the cost of their participation.

Paraplanning costs subsidy

I may be eligible for a subsidy from AMP in relation to paraplanning costs, depending on the number of paraplanning requests that I make in a particular month. If my practice submits a minimum of 5 paraplanning requests per eligible authorised representative in my practice, I receive a discount of up to 25% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 I will receive a discount of up to \$250 ($25\% \times \$1,000 = \250) and pay a discounted fee of minimum \$750.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. I may share in this fee based on the level of participation by my clients.

Relationships and associations

It is important that you are aware of the relationships that AMP Financial Planning has with providers of financial services and products as they could be seen to influence the advice you receive.
